The image displays a 100x100 grid of symbols used for cross-stitching. The grid is organized into a 10x10 layout of larger blocks, each measuring 10x10 cells. The columns are labeled at the top and bottom with the numbers 120, 130, 140, 150, and 160. The rows are labeled on the left and right with the numbers 150, 160, 170, 180, 190, and 200. Each cell in the grid contains a unique symbol, including various geometric shapes (squares, circles, triangles, diamonds), floral motifs (flowers, leaves, vines), and abstract patterns (dots, lines, zig-zags). The symbols are arranged in a way that suggests a larger, repeating pattern when stitched together.
